#JHipsterConf amazing tool, amazing team, amazing conference. Very happy that I finally made it through the cement maze of La Défense to the conference room. Thank you so much for putting together such a flawless organisation and such inspiring talks

#JHipsterConf was just great. On behalf of the #JHipster team, thanks to:
- Everyone who attended.
- All the awesome speakers.
- @ippontech for organising it.
- @xebialabs @heroku @jfrog and @LinkedIn for sponsoring it.
Hope we continue to do more #JHipsterConf in the future

A collage of three photographs. The top image shows a person speaking on a stage in front of a large audience. The middle image shows the same audience from a different angle. The bottom image is a solid blue rectangular background with a white icon of two speech bubbles with horizontal lines inside them.

| Our sponsors in 2018!

IPPON
Discovery to Delivery

 heroku

The Heroku logo, featuring a stylized 'h' inside a square followed by the word 'heroku' in lowercase.

LinkedIn

The LinkedIn logo, consisting of the word 'LinkedIn' in a bold black sans-serif font with a blue square containing a white 'in' icon.

XebiaLabs

The XebiaLabs logo, with 'Xebia' in green and 'Labs' in grey, separated by a small circular icon.

 JFrog

The JFrog logo, which features a large green crown above the word 'JFrog' in a bold, green, sans-serif font.

JHipster has been installed 1.5 million times, and is being used by thousands of developers to build high-quality applications.

You can find on

<http://www.jhipster.tech/companies-using-jhipster/> the list of 260+ companies officially using JHipster.

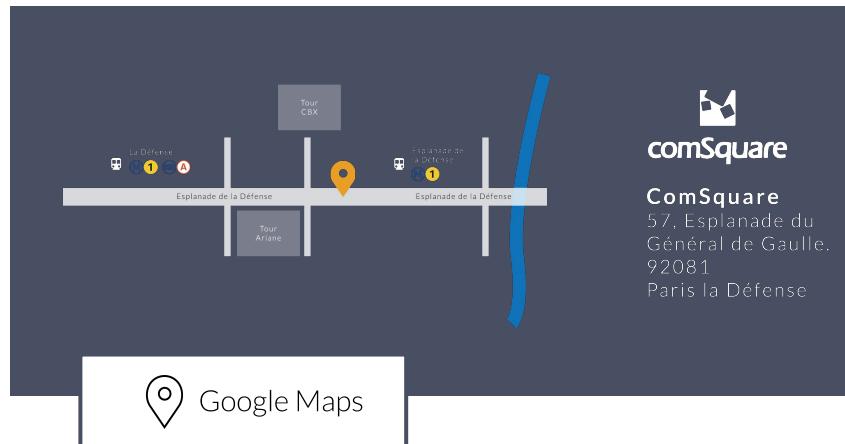

| The place.

Com Square is a conference center in the heart of La Défense, the biggest business center in Europe.

It provides a beautiful view on the Arc de Triomphe, and is close to the main train and metro stations in La Défense.

We have two rooms for welcoming 350 people..

Becoming a sponsor!

Sponsoring JHipster gives you international visibility in the JHipster community.

Sponsors will have their name on the conference website and communication, including “thank you” tweets from @jhipsterconf (and RT from @java_hipster)

You will also have direct access to the 350 developers who will attend the event - booths will be between the conference room and the food!
